INDEX

	Page		Page
Air Cleaner	32	Handlebars	31
Ariel Dealers and Spares Stockists	37-42	Mudguard, Front	26
Brake Pedal and Fittings	29	Mudguard, Rear	29
Battery Carrier	31	Nuts, Washers, etc.	34
Cylinder and Fittings	9	Oil Pump	13
Cylinder Head and Fittings	9	Oil Tank	30
Clutch Assembly	19	Pistons	12
Chains and Chain Covers	29-30	Petrol Tank and Fittings	28
Carburetter	32-33	Rocker Assembly	9-10
Crankcase and Fittings	10-11	Shock Absorber (Engine Shaft)	12
Crankshaft Assembly	11-12	Steering Head Fittings	21
Dual Seat and Fittings	31	Speedometer	29
Engine Plates and Tie Bolts	13	Stand, Front	26
Exhaust System	30	Stand, Prop	15
Electrical Equipment	33	Stand, Centre	15
Footrests, Main	29	Tool Kit	31-32
Footrests, Pillion	29	Valves and Fittings	9
Frame	26-28	Wheel, Front	21-23
Front Fork Assembly	19-21	Wheel, Rear	23-25
Gear, Timing	13	Wheel, Detachable Rear	25-26
Gearbox	15-19		

NOTE.—The letters R/S and L/S mean the right-hand side and left-hand side respectively when the rider is on the saddle.

Standard nuts, washers, etc., are listed on page 34 and are not shown separately each time they occur with individual components. This avoids needless repetition.

VERY IMPORTANT

READ CAREFULLY BEFORE ORDERING SPARE PARTS

We recommend Ariel riders to obtain any spares which they may require through their local dealer. In case of difficulty, however, parts may be obtained direct from our Service Department.

NOTES ON ORDERING

Always send a Spare Parts Order on a separate sheet with name and address. Do not embody the order in a letter, although the letter and order can be sent in the same envelope. This procedure will avoid delay in the despatch of parts. **See Specimen Order Form on page 7.**

Give Spares Number and description of part. **Also quote Engine and Frame Numbers with prefix letters.** If there is any doubt concerning the part required, return the old part as pattern; this will not be returned with the new part unless asked for. The engine number and prefix letter will be found stamped upon the crankcase, drive side, immediately below the Cylinder Block. The frame number and prefix letter is stamped upon the head lug (left side).

The symbols R/S or O/S and L/S or N/S indicate the right-hand side and left-hand side respectively of the machine as indicated by the rider when sitting on the saddle.

If you have an account, the goods will be despatched as soon as possible after receipt of order. If you have no account, it will facilitate despatch if remittance to cover cost of goods, postage and packing is enclosed.

If you have no account and remittance is not enclosed, we shall be pleased to despatch per C.O.D. post or send Pro Forma Invoice as instructed.

When telegraphing a money order, do not fail to give your name and address, and concise particulars of your requirements.

Goods returned must be sent carriage paid, and relatively fragile parts, such as cylinders, etc., should be very securely packed to avoid damage. Label parts returned with name and address of sender.

We are pleased to give estimates for overhauls and repairs, but cannot give firm quotations as necessities may be discovered not foreseen when estimating.

Should an estimate not be accepted, payment for dismantling and reassembling must be made.

**PREFIX LETTERS TO ENGINE AND
FRAME NUMBERS**

To give the engine or frame number without the prefix letters is useless, as the numbers repeat from year to year and also on each capacity class. The **prefix letters** indicate both year of manufacture and capacity of engine and must, therefore, always be included with the actual figures so that the machine may be completely identified.

Engine prefix letter and number is stamped on the drive side of crankcase just below cylinder base. Frame letter and number is stamped on the head lug (left side).

SPECIMEN ORDER FORM

For use in Great Britain only

A clearly worded order is the best way to ensure prompt and accurate despatch of spares. We therefore suggest that orders should be made out in the following manner:

To: (Name and address of your usual dealer),

Customer's Address.

or: Ariel Motors Ltd.,
Selly Oak,
Birmingham 29.

Dear Sirs,

Kindly forward the following parts against cash (state amount) enclosed.

or Kindly forward the following parts per C.O.D. post.

or Kindly forward Pro Forma Invoice for the following:

For Model..... Year..... Engine No. and **Prefix Letter.**

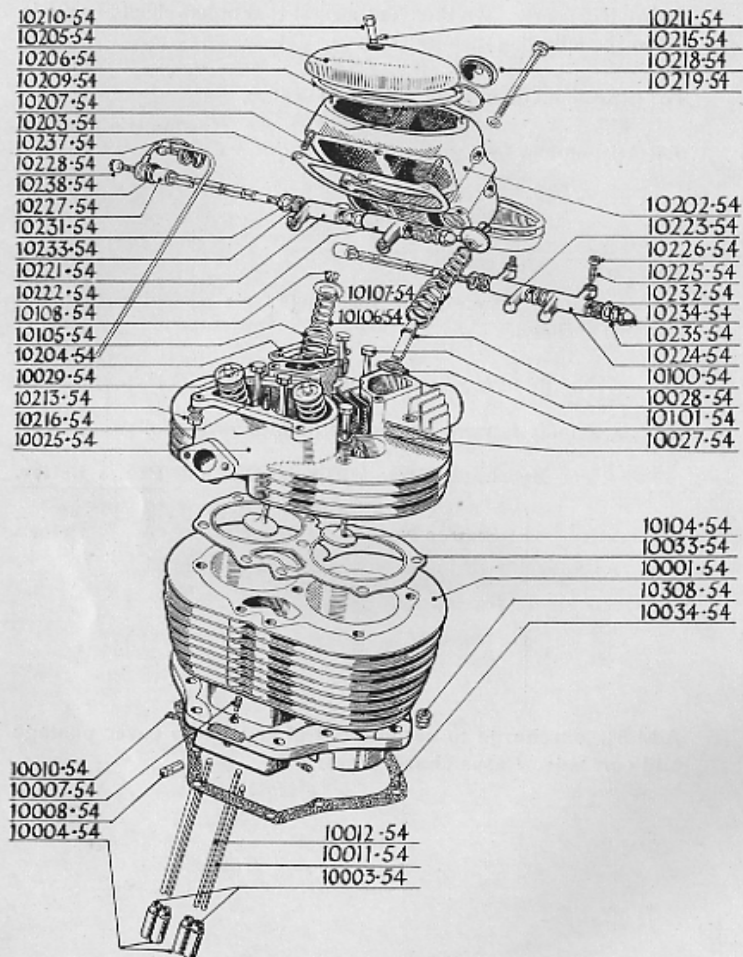

Quantity	Spares No.	Description	Price

Add 5% surcharge to net amount of Invoice to cover postage and carriage. Cases charged extra.

Total Cost _____

Sign your name **clearly.**

ARIEL MOTORS LIMITED PROPRIETARY EQUIPMENT AND ACCESSORIES

Although every effort is made to obtain the most suitable and highest quality fittings of a proprietary nature for incorporating into our Motor Cycles, our guarantee does not cover such parts.

In the event of trouble being experienced with proprietary fittings, the part or parts should be returned to and claims made direct on the actual manufacturers, who will deal with them on the terms of their respective guarantees. Date of purchase and mileage covered should always be carefully stated when submitting a claim.

NOTICE

WE do not appoint agents for the sale on our behalf of our motor cycles or other goods, but we assign to motor cycle Dealers areas in which we supply to such Dealers, exclusively for re-sale in such areas. No such Dealer is authorised to transact any business, give any warranty, make any representation or incur any liability on our behalf.

THE FOLLOWING IS A COPY OF THE GUARANTEE GIVEN BY DEALERS IN ARIEL MOTOR CYCLES

WE give the following guarantee with our motor cycles, which is given in place of any implied conditions, warranties or liabilities whatsoever, statutory or otherwise, all such implied conditions, warranties, and liabilities being in all cases excluded. Any statement, description, condition or representation contained in any catalogue, advertisement leaflet or other publication, shall not be construed as enlarging, varying or overriding this guarantee. In the case of machines which have been used for "hiring out" purposes, or from which the trade mark, name or manufacturing number has been removed, no guarantee of any kind is given or is to be implied.

WE guarantee, subject to the conditions mentioned below, that all precautions which are usual and reasonable have been taken by us to secure excellence of materials and workmanship, but this guarantee is to extend and be in force for six months only from date of purchase, and damages for which we make ourselves responsible under this guarantee are limited to the free supply of a new part in exchange for the part of the motor cycle which may have proved defective. We do not undertake to replace or refix, or bear the cost of replacing or refixing such new part in the motor cycle. We undertake, subject to the conditions mentioned below, to make good at any time within six months any defects in these respects. As the motor cycles are easily liable to derangement by neglect or misuse, this guarantee does not apply to defects caused by wear and tear, misuse or neglect.

The term "misuse" shall include, amongst others, the following acts:

1. The attaching of a sidecar to the motor cycle in such a manner as to cause damage or calculated to render the latter unsafe when ridden.
2. The use of a motor cycle, or of a motor cycle and sidecar combined, when carrying more persons, or a greater weight than that for which the machine was designed by the manufacturers.
3. The attaching of a sidecar to a motor cycle by any form of attachment not provided, supplied or approved by the manufacturers, or to a motor cycle which is not designed for such use.

Any motor cycle sent to us to be plated, enamelled or repaired will be repaired upon the following conditions, i.e., we guarantee that all precautions which are usual and reasonable have been taken by us to secure excellence of material and workmanship, such guarantee to extend and be in force for three months only from the time such work shall have been executed or until the expiration of the six months above referred to, and this guarantee is in lieu and in exclusion of any common law or statute warranty or condition and the damages recoverable are limited to the cost of any further work which may be necessary to amend and make good the work found to be defective.

CONDITIONS OF GUARANTEE

If a defective part should be found in our motor cycles, or in any part supplied by way of exchange before referred to, it must be sent to us **Carriage Paid**, and accompanied by an intimation from the Owner that he desires to have it repaired or exchanged free of charge under our guarantee, and he must also furnish us at the same time with the number of the machine, the date of purchase, or the date when the alleged defective part was exchanged as the case may be.

Failing compliance with the above, such articles will lie here **at the risk of the owner**, and this guarantee and any implied guarantee, warranty or condition shall not be enforceable.

We do not guarantee tyres, saddles, chains, electrical equipment or any other specialities of accessory manufacturers.
